Invitation

I am pleased to invite you to the IDCN Onboarding workshop taking place in Hong Kong on the August 26th, 2015. As communicated previously, to launch an IDCN location, corporate participant(s) should attend this event.

Over the course of this workshop you will get a clear understanding of the IDCN, what the global model looks like and how we are going to collaborate together to implement it in the different regions selected by the participating companies.

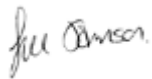

Last but not least, you will have the opportunity to connect with other leading companies with common objectives - to boost the geographical mobility of dual career partners and attract top mobile talents.

I am looking forward working together to launch this new IDCN network.

Sue Johnson

Head of Gender Balance and Diversity, Nestlé

Who should attend the conference?
