

Shivani Bhardawaj

IDCN Finance Director

Jim Garberding

Global Customer Relations Director

IDCN is proud to announce that Shivani Bhardawaj has accepted the role of Finance Director within the Center of Expertise, starting 15 June, 2017. Shivani will be replacing Jim Garberding who has been the Global Customer Relations Director for IDCN since January 2016.

We would like to thank Jim for his commitment and passion for IDCN as part of the Lake Geneva Partner Committee, where he volunteered as the Membership Team Lead, Vice President and Partner President in addition to his Center of Expertise role.

During his tenure, Jim led the development, training and launch of the IDCN Talent Management Platform. In addition, he has been instrumental in the collaborative efforts and implementation of several global initiatives, including the Volunteer Toolkit, Business Development Toolkit, Volunteer Expense Reimbursement and the Global Strategic Recruitment Partner Model.

Jim will be relocating to Connecticut in the United States at the end of June to join his wife who recently joined Nestle Waters. We wish Jim well in his next adventure.

Shivani has a great passion for IDCN and with over 13 years of experience across four continents, Shivani brings an extensive amount of Not-for-Profit, Corporate and volunteer experience to the role. Her broad-based skillset in financial forecasting, budget management and payroll processing, along with experience with volunteer-based organisations, offshore teams, training, database management and event management will be instrumental in her success as the Finance Director.

Shivani is the spouse of a Nestle employee and started her IDCN journey as a volunteer within the Lake Geneva network in the role of Measurements Team Lead. She was later selected as the Vice President, and ended her involvement in the local network as Partner President.

Please take a moment to join us in congratulating Shivani and Jim.

Latifa Taleb-Serre

IDCN President
