

IDCN is Happy to announce that, Damion Edwards has accepted the role of Finance Director within the Centre of Expertise. Damion will be replacing Shivani Bharadwaj present Finance Director from September 2017.

With experience as a supporting spouse in three countries over the last 8 years, Damion believes strongly in the IDCN vision to facilitate the integration and job search of partners in dual career situations. He started his IDCN journey as a volunteer in the role of Global Finance Adviser from 2016.

With 18 years of professional experience in varied roles within the finance functions of many companies, including Unilever, Damion will bring his extensive skills and experience in forecasting, budgeting and reporting to support the IDCN network.

IDCN Board has appointed, Shivani Bhardawaj IDCN Programme Director, replacing Marian Chiraches, who was in this capacity from January 2014.

Marian led the network expansion in North America, Middle East and Asia. Marian stayed close to IDCN networks and offered his expertise to Corporate Members and Partner Committees. He was instrumental in the work of Annual Review.

Marian relocated to Bucharest in Romania, his home country at the end of July following his wife. We would like to thank Marian for his passion and commitment for IDCN program and wish him good luck for the next step.

Please join us in congratulating Damion, Marian and Shivani.
